

# EVOLUTION GLOBAL: CORPORATE TALENT PARTNERS

Evolution Global understands the value of people as intellectual assets. Talent sourcing, acquisition and retention are vital to the continued growth of a company and as such the market for skilled resources is extremely competitive. We provide elite executive recruitment & headhunting solutions for companies at the forefront of scientific and technological advancement.

## WHAT WE OFFER

### COMPREHENSIVE SECTOR-SPECIFIC EXPERTISE

With decades of scientific & technical experience, we understand the current market and industry demands.

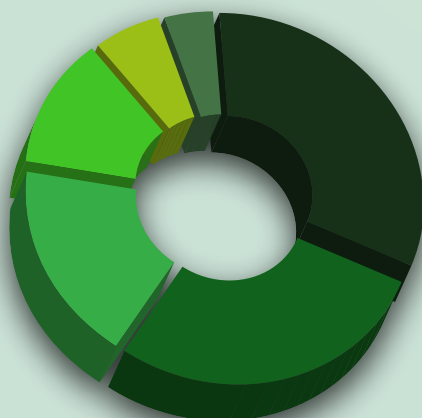

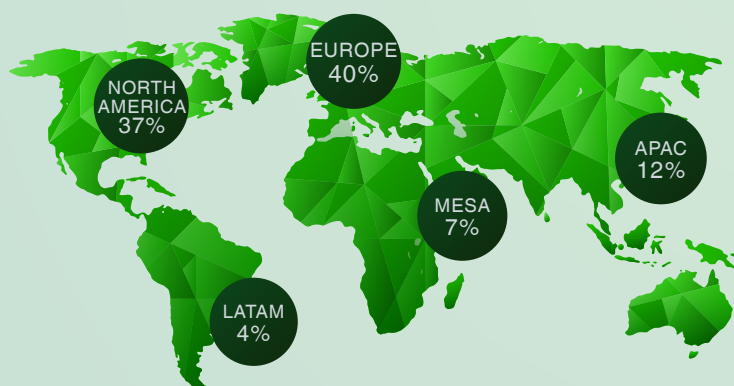

### PROACTIVE HEADHUNTING SOLUTIONS

The best talent is already employed. We target and approach candidates who are not currently seeking new career opportunities.

### GLOBAL TALENT PARTNERSHIPS

We offer our partners extensive value-adding services, including proactive talent pipelining, live compensation benchmarking & more.

**OVER 350 ASSIGNMENTS COMPLETED  
ACROSS 29 COUNTRIES IN 2016**
